WELCOME TO BIG DATA LDN

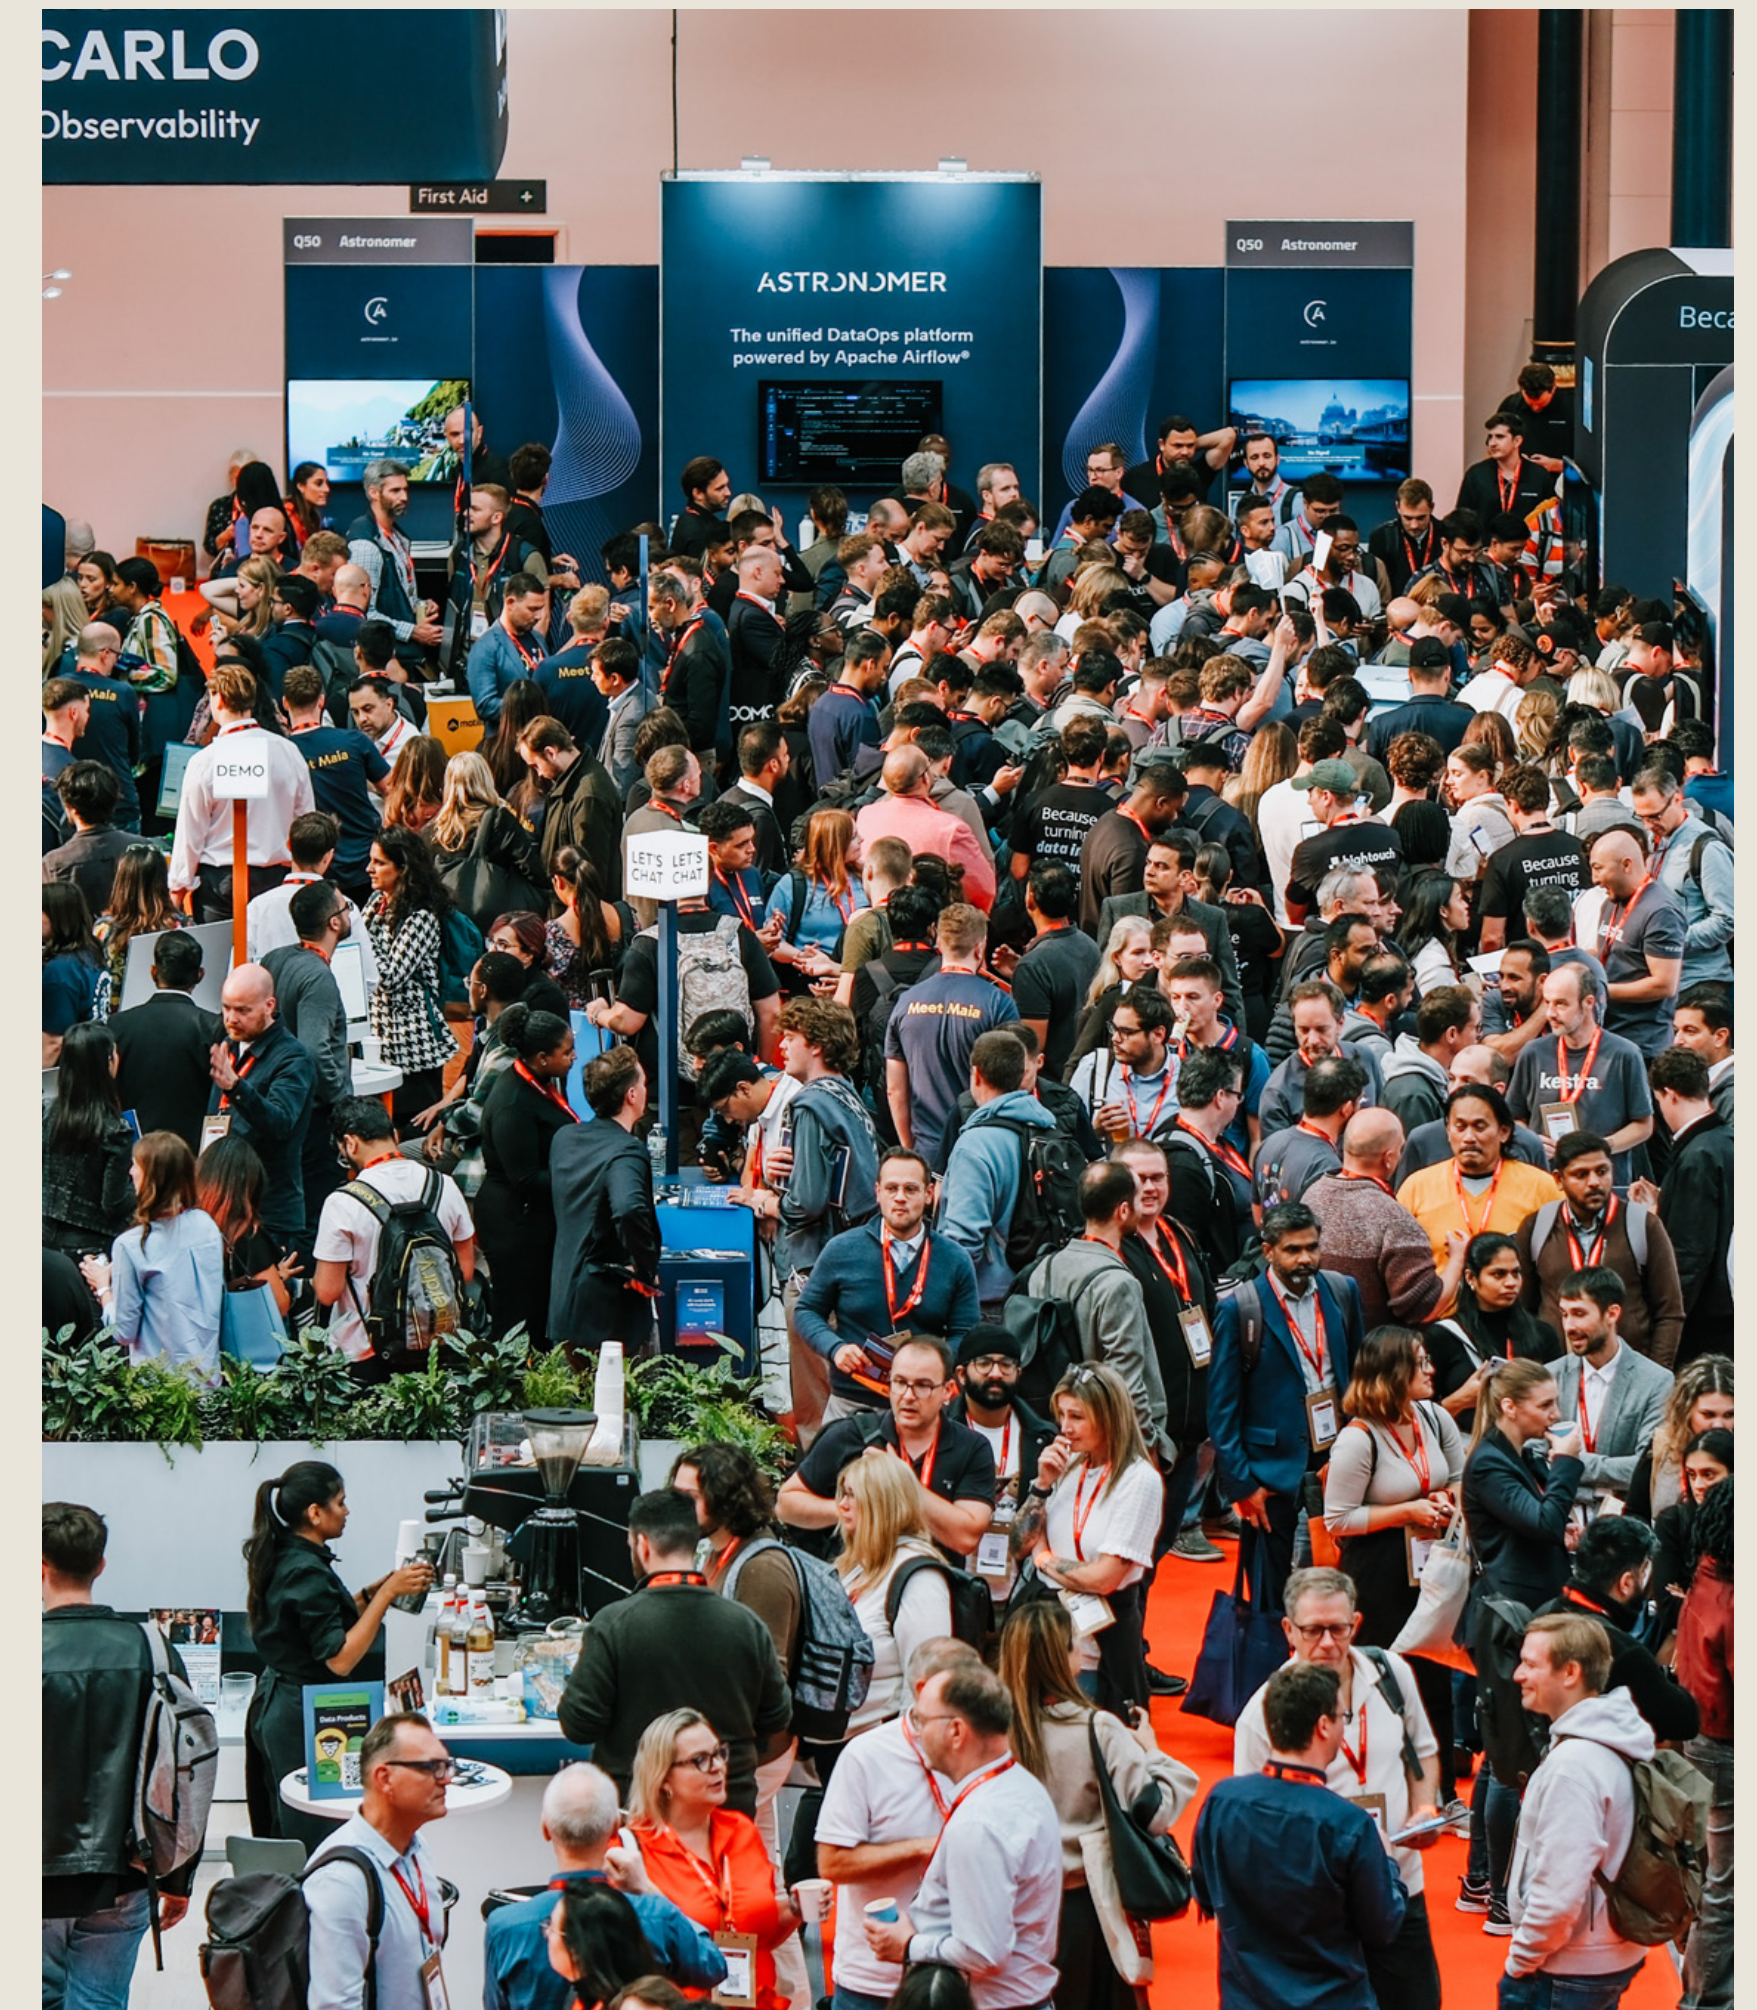

Thank you for choosing a turnkey stand. In the next few pages you will find a short guide for your individual package. The design specs are included in the second half of this document and you can share this, along the templates sent to you separately, with your designer.

You should already have access to the exhibitor hub, where you are able to order your exhibitor badges, download your leads post show, send trackable invites and engage with our digital tools. If you or your team do not have access to this, please contact **bigdataldn@rxglobal.com**

The exhibitor manual is live
This is where you find all relevant forms, suppliers details and deadlines.
